

# MBDAV PUBLIC SCHOOL, LOHARDAGA

The school follows the 10+2 pattern of the Central Board Secondary Education(CBSE) and run classes from LKG to XII with English, as medium of instruction, as adopted by Kendriya Vidyalayas, with a view to preparing the students for the All India Secondary School Examination (Class X), and the All India Senior Secondary School Examination (Class XII).

## **The Objectives of Education at our institutions:**

1. To prepare the students for active participation in day-to day life situations.
2. To develop basic mental abilities and skill.
3. To help in physical growth and proficiency in games.
4. To help the students learn how to establish good human relationship and imbibe virtues of moral courage and social discipline.

## **REGISTRATION**

The registration forms for new admissions are available from school counters (senior wing as well as junior wing) on payment of Rs. 500/- only and selection is made on the basis of a test or an interview so to determine the child's capability to pursue the prescribed course of studies.
